BROOKLYN

"New York City's Greatest Borough"

The facts and statistics of Brooklyn's industrial and commercial development, as well as its community of homes, well justify its slogan of "New York City's Greatest Borough". Besides including the geographical center of the city, Brooklyn is also the most populous of all the boroughs.

Originally, Brooklyn was a group of small Dutch settlements which survived despite frequent attacks by Indians. It was largely agricultural until permanent means of transportation and communication were established across the East River. The borough played a prominent part in the American Revolution and in other wars in which this country was engaged.

Today, Brooklyn, besides being known as a city of homes, is the nation's foreign trade center, one of its largest and most varied industrial communities, and a commercial establishment outranking all but a few of the country's cities. Yet, despite its huge size, its position entitles it to look forward to a greater and even more important growth in the future.

AIDS TO PROPER MAILING

Write name and address plainly and completely.

Place name and address of sender on all mail matter.

Prepay postage fully.

Use street and number in return address on your envelope and also letter heads.

Always address mail for city delivery to street and number, and request correspondents to do likewise.

Use designation North or South, West or East when it is a proper part of the address and save delay in delivery.

Insure valuable parcels.

Wrap parcel post carefully in heavy paper, and tie knots securely.

Do not use cards or envelopes smaller than a Government Postal Card.

Avoid the use of the word "City" as a part of the address. It may result in delay.

Avoid abbreviation of state names; Pa., Va., and La., frequently look very much alike when written. It is difficult to distinguish between Me., Mo., and Ind., or Cal. and Col. The abbreviation recommended for Colorado is Colo., and for California is Calif.

YOU WILL OFTEN GAIN A DAY'S TIME IN DELIVERY BY DEPOSITING MAIL AS SOON AS IT IS READY.

Pamphlets showing the hours "Mails Close" at the post office, and the time in transit between all of the large cities in the United States, may be had upon application to the Superintendent of Mails.

HOW TO USE THIS INDEX—

1. To find listings under any classification shown in this index, turn to the page number shown. If a cross reference is shown instead of a page number, look in the directory under the alternate heading.
2. For your convenience in finding specific headings in the index, about three headings in each column are printed in larger type.
3. Just like ABC *to use this book*

1. When you want to buy something . . .

Suppose, for instance, it's a refrigerator—just do this.

First find "Refrigerators" on the "R" pages.

Then pick out the dealer who interests you most, or who handles the kind of refrigerator you want, or whose location is convenient to you.

You can use the directory in exactly the same way, whether you want a beauty shop, or a carpet cleaner, or a florist, or a plumber, or when you want to buy hundreds of other products or services.

Or . . . if you are a purchasing agent, and want to buy one sign or 1,000 signs—it is just as easy.

First find the "Sign" classification on the "S" pages.

Then you are on Main Street in the sign business; now, just pick out the sign company that appeals to you.

You will find this book helpful in buying almost every other business product or service.

2. When you want a dealer of a trade marked product . . .

Suppose you want to find a dealer for a nationally known product or service, such as "Plymouth" automobiles.

First turn to "Automobile Agencies" on the "A" pages.

Then select your dealer from the list of automobile agencies. It is just as easy as using a dictionary.

3. When you have forgotten a business firm's name . . .

Occasionally you may forget a business establishment's name but remember the location. For example, you want the radio man at West Main Street.

Simply turn to the "Radio" classification.

Here you will find the radio people, and then all you have to do is look for the address which is familiar to you.

4. When you have forgotten part of a name . . . but remember the address . . .

Frequently the full name of a firm is forgotten. For example—suppose you want a laundry and all you remember is that the firm has the word "Individual" in its name.

First turn to the "Laundries" section on the "L" pages.

Here you will find the laundry companies and a brief look through the names listed will reveal the company you are looking for.

5. Even when you know the name . . .

In looking up names you know, the Classified will frequently help you. Suppose you want to telephone Smith, the plumber. All the plumbers are listed in the Classified at the classification of "Plumbers" on the "P" pages, and it is usually easier to find your Smith among the few listed in the "Plumbers" section than in the long list of Smiths in the Alphabetical Directory.

IF YOU CAN'T FIND what you want—call MUrray Hill 4-7000 (The Reuben H. Donnelley Corporation) and ask for "BUYERS' SERVICE." They will be glad to tell you where you can obtain it.

HOURS: 9:00 AM to 5 PM Mondays to Fridays
9:00 AM to 12 Noon Saturdays

ASK
your Architect—
to make provision—*in the plans*—for telephone conduit (inexpensive ordinary pipe) to be placed in the walls when you build. Then you can have modern telephone outlets where you want them. There will be no exposed wiring on base boards or moldings to mar the appearance of your rooms.

After the house is completed, wall insulation, fire stops, and concrete construction may make it impossible to run telephone wiring through walls.

Call the Business Office for complete information. New York Telephone Company.

Many More Women HAVE DISCOVERED THE MAGIC in the words SHOP BY TELEPHONE

The things now being ordered by telephone include practically everything in the home. Every day busy women order their groceries, meats, vegetables and drugs this easy way. And a great many women have found it just as easy to order many other things by telephone.

When the weather's bad, or you wish you could rest instead of going out—let your telephone be your errand boy. You'll find your money goes just as far—and you'll have more time for yourself. New York Telephone Company.

PLANNING A HOME?
Architects say it's a good idea to specify Concealed Telephone Wiring. It costs little, makes it easy to add future telephones and helps the artistic appearance of the home. For full information just call the Business Office (Dial "811") and ask for "Architects and Builders Service."

THE *Modern Home*

...makes provision for "Concealed Telephone Wiring" *in the plans.*

1. A simple conduit (pipe) is installed inside the walls at the time your home is being built.
2. Your telephone wires are run through this piping to outlets in rooms where you wish telephones.
3. No exposed wiring need show on walls or baseboards.
4. Yet the cost of this feature is low.

For further information just call the Business Office (Dial "811") and ask for "Architects and Builders Service".

HERE'S a pleasure you'll Enjoy—

There is something really exciting about telephoning someone far away. It's hard to describe in words—you need to experience it.

Just try it some time soon when there's a birthday to remember—a lonesome boy or girl away at school or camp—a long spell between personal visits to the folks back home.

And there's this extra inducement—Long Distance rates to most places are reduced every night after 7—and all day every Sunday.

Why delay that visit to Mother and Dad, in another town perhaps, when it costs so little to telephone?

"I wonder if my watch is right!"

When clocks and watches show different times—
When you want to be SURE *of the right time—*
When your watch runs down and stops—

—it's easy to get the correct time.

Just pick up the TELEPHONE and call

GENUINE NAPHTHA CLEANING

Why Naphtha?

. . because cleaning in NAPHTHA preserves original beauty and lustre of Oriental and Domestic rugs.

RUGS are drenched for hours in distilled naphtha. Stains dissolve. Dirt and dust are gently removed by continual rinsing in thousands of gallons of naphtha. Cleans surface, pile and back. Destroys moth eggs. It does not remove the natural oils in rugs. Leaves the threads strong and full of life. Colors are restored to their warmth and beauty.

Also, we DRY STEAM every rug and carpet to raise crushed pile. All domestic rugs and carpets resized to insure against limpness.

A naphtha cleaned rug or carpet retains its life and body.

RUG STORAGE—

"It's Me, Gran'pa!"

How satisfactory it is, when distance separates you, to keep in close and frequent touch with all the family, old and young and in-between ... by Telephone. Voices sound so clear, so true, that it's hard to believe so many miles are between you.

"I WAS SURPRISED!"

That's what people say—about the low telephone rates to out-of-town points. Long Distance rates to most places are bargains especially after 7 p.m. and all day every Sunday.

Why not enjoy the advantages of a telephone at home? Two or three nickels a day pay for it.

You may be miles away from close friends and relatives, but you can talk with them—give and get news—by Long Distance. Expensive? . . . Not at all—especially after 7 p.m. and all day Sundays when rates are bargains.

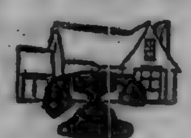
PLANNING A HOME?



Architects say it's a good idea to specify Concealed Telephone Wiring. It costs little, makes it easy to add future telephones and helps the artistic appearance of the home. For full information just call the Business Office (Dial "811") and ask for "Architects and Builders Service."

DANCE LESSONS

COST NO MORE AT

ARTHUR MURRAY'S

THIS famous school of dancing has become a New York tradition. Arthur Murray's pupils include many people from our best families—smart young debs, society leaders, well-known business and professional men. Here they not only learn how to dance well, but later on return again and again to keep their dancing modern.

In Arthur Murray's pleasant studios you can quickly become a popular, interesting partner, though you may know little or nothing about dancing. His talented, expertly-trained staff has taught thousands of awkward individuals to dance rhythmically, faultlessly.

A few lessons are all you need. And you'll be astonished how little it costs. Rates were never lower. Why not call today for the interesting dance analysis offered *without charge?* Air-conditioned Studios open daily till 10 P. M. MUrray Hill 2-4647

LEARN to DANCE

ANYONE can learn to dance beautifully—lead expertly—follow easily.

ANYONE can become a popular partner! It's easy when you know how!

Waltz, Foxtrot, Rhumba, Tango, Conga, Peabody and Shag taught privately, at Brooklyn's leading studio.

BEGINNERS A SPECIALTY

We invite you to come in any time and see for yourself! In fifteen minutes of actual demonstration you will learn more about dancing than in a lifetime of watching and wishing. Experienced teachers bring your dancing up to date... improve your lead... perfect your rhythm.

LOW RATES... OPEN DAILY 1 P.M. TO 10 P.M.

You Can Become a Good Dancer

We teach Conservative dancing only—no jitterbug — no extreme styles. No matter how little you know about dancing, 5 days is all the time it takes one of our talented teachers to make you an expert dancer. And rates are lower than in years. Learn to dance correctly and acquire rhythm, poise — all the newest steps. Partners will then welcome the pleasure of dancing with you. Try a private trial lesson and see how quickly and easily you will learn.

TELEPHONE the NEWS!

Why keep good news a secret—when it's so easy—and costs so little—to share it by telephone? Rates are low—even if you don't take advantage of the reduced Long Distance rates which are in effect to most places every night after 7, and all day every Sunday.

Many More Women
HAVE DISCOVERED THE MAGIC
in the words SHOP BY TELEPHONE

The things now being ordered by telephone include practically everything in the home. Every day busy women order their groceries, meats, vegetables and drugs this easy way. And a great many women have found it just as easy to order many other things by telephone.

When the weather's bad, or you wish you could rest instead of going out—let your telephone be your errand boy! You'll find your money goes just as far—and you'll have more time for yourself. New York Telephone Company.
